BATAVIA GAS LIGHT COMPANY, GASHOLDER HOUSES

HAER  
NY,  
19-BAT  
4A

Date: circa 1855, 1878

Location: Evans and Ellicott Sts. Batavia, Genesee County NY.

Built by: Batavia Gas and Electric Company

Owned by: Originally; Batavia Gas and Electric Company  
Presently; National Fuel Gas Company

Significance: The gasholders at Batavia are typical examples of structures built throughout the Northeast during the 19th Century for the storage of gas.

Transmitted by: Dan Clement, 1983.
